

Amendments to the Drawings

Submitted herewith are new sheets of formal drawings 1/3 and 3/3, which have been amended in view of the objection of the draftsman in form PTO-948 and the Examiner's objection in paragraph 1 of the Office Action.

In sheet 1/3, Fig. 1 has been amended to replace the German words with the appropriate English translations thereof.

In sheet 3/3, Fig. 5a has been amended to add the reference numerals 8' and 9', which designate the core and envelope, respectively, of the particle 6'.
